Read the following:-

Letter from A.M.A.C.Galletti Esq., M.A., I.C.S., Collector of Bellary, Ref.C.587/32 B1, dated 4th February 1932 to ?

Rumnah Military Grass Farm lands- Hospet and Bellary Taluks- grass removal by the Military authorities completed and orders issued to burn the grass- fodder scarcity in the district- permission required to graze cattle.

There is a famine on in this district and fodder

scarcity. The ryots of villages adjoining the Military grass farm lands have sent mahazar petitions requesting permission to graze their cattle in the Rumnah lands. They say that the removal of grass required by the Military Department has been completed, for the year and that you have issued orders to burn the grass in the hills. They p... hat instead of your burning the grass they may be permitted to graze their cattle on it until the next rains set in. Their prayer is reasonable and I request you from motives of humanity to accede to it. I have this day sent a telegram to the Local Grass Farm Manager, Tornagal asking him not to burn the grass pending your orders. I request you will be pleased to issue necessary instructions to him in the matter and permit the cattle of adjoining villages to graze in Ramnah lands. You may of course make a small charge per head of cattle and require permits to be taken out if you think this necessary.
